Description

"The sea, not only should be navigated, but be experienced as a meeting place" is the philosophy of Ayros which presents an innovative Walkaround characterized by an elegant Italian design and attention to every detail. XA 24 comes full optional and guarantees lots of moving space on board on a length of just 7 metre. A huge suntanning bed on deck forward as well as a comfortable stern seat which on demand can be transformed into a comfortable dining area. The cabin is spacious and bright with settee convertible into a double bed. The separate bathroom guarantees every comfort. The strengths of XA 24 are the choice of materials and attention to detail: comfortable driver's seat, upholstery and highly selected fabrics, elegant and prestigious equipment.

Accessories:

Full optional: double bed with storage room, LED lighting, separate bathroom with electric toilet and porthole. Complete cushions extra luxury, driving seat flip-up and stern shower. Fuel system, water system, black water system, teak on steps, electric winch and sun awning aluminium lux/steel.
