

ROMANZA

This 2005 Succes 125 Ultra offers superb accommodation with 6 berths, large galley and vast aft cockpit, ideal for entertaining and extended cruising. Finished in black and white she is arguably one of the best looking boats of this type, she is fitted with a single Vetus 170hp diesel and comes equipped with bow and stern thrusters for ease of maneuvering. Her high specification includes 8Kva Generator, hot air heating, electric macerator to holding tank, electric flush toilets, fully teak decked, extended bathing platform, washer drier, marble style worktops to galley and heads and fully canopy. Her navigation equipment includes, VHF, GPS Chart Plotter, Speed/Depth log, Elect Compass, remote spotlight and full navigation lights.

Included in the sale is a RIB dingy complete with 5hp outboard engine and a full complement of crockery, cutlery, utensils, teak deck table and chairs, dehumidifier and heaters and all warps and fenders. This boat is fully equipped, ready to go; just add linens and stock the galley. Designed and built to live aboard in comfort and style for long periods of time this craft will suit those looking to retire onto the waterways of the UK and Europe.

The present owners purchased Romanza in 2007 and it has been resident in Europe since 2011.
