Notes

The hull is very solid built by famous boatyard Ferretti in Italy. The boat has very low engine hours, as she was used for day sailing in summer time only. Owner is chief engineer and sale the boat due to changing to smaller boat. The boat can be used for long range cruising or live aboard. The sails needs revision or replacement. All equipment is in working condition, very solid built boat by famous Italian boatyard. It is possible to purchase the boat together with berth and rented place.
