Azimut 58 F –

Azimut's flawless deterioration is a luxurious motor yacht that demonstrates a commitment to exceptional craftsmanship and unparalleled performance. With its elegant lines, spacious layout and advanced features, this boat offers a truly extraordinary boating experience.

Accommodation at the Azimut 58 Flybridge is very generous. There is a very spacious VIP cabin with high ceilings, two guest cabins and two bathrooms-WC. There is also a bed, storage areas and a WC in the captain's cabin. The master cabin is a true living space with large fittings, a comfortable bed, vanity area, desk, ample storage and a luxurious private bathroom. Other cabins can be adjusted to 1 double bed or 2 single beds. All cabins have a heating-cooling air conditioning system and a TV.

Azimut 58F offers ample space, elegant furnishings and well-thought-out amenities to ensure a comfortable stay. The flybridge offers two refrigerators, a sink, a fountain, dishes, storage areas and large registration areas.

Below deck, a full beam central Master Cabin with private heads, a VIP cabin in the bow and a guest cabin at the starboard side, both sharing heads with a vacuum toilet and a shower cubicle.

On the main deck, equipped with the central bridge, the large galley at the same level features a dinette with U-shaped settee. Two steps below towards the cockpit, a huge saloon with LED-screen, Bose Dolby Surround System and bar furniture offers entertainment to the passengers. In the cockpit is a teak extendable table, and there are 4 extra Azimut director's chairs for up to 8 guests.

The flybridge deck features an equal 8-guests dining area, in front of the bar furniture including a fridge, sink and grill plate. Next to the upper bridge, a huge sundeck area is at disposal, completed by a second sundeck at the rear of this huge flybridge.

The Azimut 58F is equipped with a hydraulic bathing platform.
