VAT STATUS	Paid		

Technical information

Engines hours	50
Trasmissions	Stern Drive
Second generator hours	0
Fuel tank	330 litres
Water tank	84 litres

Description per area

General description

As a superyacht tender, or the ultimate runabout, the Riva Iseo is hard to beat. In just 27ft LITTLE PRIMROSE beautifully captures the legendary style and flawless finish that have made Riva such an icon of glamour and elegance. She is the only truly trailable Riva.

Exquisite, lines, ingenious space-planning, minute attention to detail and the use of sophisticated and exceptionally high quality materials, these are the distinctive characteristics that make LITTLE PRIMROSE the noble heiress to Riva's illustrious history of fastidious craftsmanship. It's a philosophy that is perfectly encapsulated in the 20 coats of varnish that go into creating that famous gleaming foredeck.

Broker Comment:

This Riva Iseo is one of the very best pre-owned examples I've seen. Originally commissioned as a superyacht tender and is uniquely fitted with custom side access steps into the cockpit, as well as a custom non-slip bow coating. She's been maintained without compromise since new and always stored in a dedicated hanger through the winter months. Serviced and season ready to enjoy immediately.

Optional list

Optional list
